THE METALWORKER S WORKSHOP (PAPERBACK)

Special Interest Model Books, United Kingdom, 2010. Paperback. Condition: New. Language: English . Brand New Book. When Harold Hall was Editor of Model Engineer s Workshop magazine, he was surprised by how just so many of his readers had no access to a workshop at home, or even at college. This book presents a complete guide to building or converting a workshop space and then equipping it to serve a wide range of metalworking activities including model engineering, model making,...

Reviews

Very good e-book and valuable one. It can be written in basic words and phrases and not confusing. You will not really feel monotony at whenever you want of your own time (that's what catalogues are for concerning should you check with me).
