Brand New Book ***** Print on Demand *****.After raising chickens and pigs, Randy was ready for a change. Since his classmates nicknamed him Randy Bamboo (after bringing a bamboo pen to school one day), he decided to talk his parents into growing bamboo on their farm. Join Randy and his siblings in this captivating bamboo raising adventure. One page reads. Okay, Peanut, I need you to go over and do your business on that bamboo. We don t need any bamboo houseplants out there for sale. As the tiny dog crawled toward the bamboo on its belly, Randy s favorite hen, Roxanne, smelled danger coming and sounded the alarm. Bawk, bawk, bawk! This only encouraged the hairy invader, which licked its lips and continued forward. However, all the commotion woke Rita, who stood up, looking like a 300-pound linebacker. In the small puppy s mind, plans changed. It stood up to run but fainted on the spot. This sent the houseplant lady into hysterics, but after a little CPR, the tiny terrier jumped back in her lap. Quick-thinking Melissa took her a small Get Well Soon potted bamboo.
