HarperCollins Publishers, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. She married the king. She wanted the man. Guinevere's marriage to Arthur was a political partnership, never a romance. Merlin knows that the king's court, newly restored at a medieval theme park, will only be complete if Arthur has his lady. Little did anyone suspect that once Guinevere gets a taste of twenty-first-century freedoms that this ancient queen would lose interest in belonging to any man - even a royal one. It takes a dragon and passionate nights spent in each other's arms to lure her back to her husband's side. Arthur is willing to accept Gwen's help in protecting the new Camelot from a fae menace, but the bigger challenge will be wooing back Guinevere for a second chance at love.
