Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Big Sur Trilogy is the story about one of the last pioneer families in America who lived freely and self-sufficiently in a remote area of the central California known as Big Sur. The road changed forever the lives of the Big Sur homesteaders as the mainstream modern American culture motored into their once-private coast. Before the road, few outlanders visited the south coast because travel was strenuous, the trail precarious and the homesteads were few and far between, but those who ventured there were greeted with coast hospitality, lively conversation and ranch grown food. The Big Sur pioneer families...
