Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Compound Interest, according to conventional wisdom, possesses seemingly magical powers to build wealth. For the vast majority of us, however, the magic becomes a shattering disappointment because we simply don't understand how wealth building really works. Will Duffy clearly separates the fantasy from reality by laying out ten financial truths that enable us to build and protect our wealth. Will Duffy's 10 Financial Truths expose the major practical flaws in the theory of compound interest. Now you can recognize these pitfalls and roadblocks and change direction. This is the first step towards receiving consistent positive returns over time. This is where true long-term financial security begins. -from the Foreword by Ed Slott, CPA and New York Times Bestselling Author Fully understood and applied correctly, uninterrupted compound interest is the Eighth Wonder of the World. The best part is that you can experience uninterrupted compound interest in your life by following just a few easy steps, but very few know what those steps are. Will Duffy hits the ball out of the park with these ten enlightening truths about this foundational financial concept. -Bryan S. Bloom, CPA and author of Confessions of a CPA - Why What I Was Taught To Be True Has Turned Out Not To Be Will Duffy has done a great job of helping you look at some partial truths that are in the marketplace and gain the rest of the story so that you can make better decisions with your own money. Kim D. H. Butler, Founder, Prosperity Economics Movement Don't wait another day to regain control of your hard-earned savings. Have you been kept in the dark about how wealth building...
