Penguin Books Ltd, United Kingdom, 2018. Paperback. Condition: New. Language: English . Brand New Book. Praise for Sleeping Giants This year s The Martian. if you want a captivating story with some serious sci-fi elements and dark undertones, this is it! So good and so eerie Buzzfeed This stellar debut novel.masterfully blends together elements of sci-fi, political thriller and apocalyptic fiction . so much more than the sum of its parts-a page-turner of the highest order! Kirkus Reviews (Starred Review) First-time novelist Sylvain Neuvel does a bold, splashy cannonball off the high dive with Sleeping Giants. It bursts at the seams with big ideas and the questions they spawn-How much human life is worth sacrificing in the pursuit of scientific progress? Can humanity be trusted with weapons of ultimate destruction? And the biggest: Are we alone? But all that really matters is that this book is a sheer blast from start to finish. I haven t had this much fun reading in ages Blake Crouch, author of Dark Matter and the bestselling Wayward Pines trilogy As high-concept as it is, Sleeping Giants is a thriller through and through. . . . One of the most promising series kickoffs in recent memory NPR Reminiscent of The Martian and World War Z, Sleeping Giants is a luminous conspiracy yarn that shoots for (and lands among) the stars Pierce Brown, New York Times bestselling author of Red Rising.
