BLACK START (PAPERBACK)

Balboa Press, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Is it our darkness or light that scares us most? The acceptance that things don't always turn out the way we imagine they would can make all the difference between giving permission to experience something better or living stagnant. Anyone who has experienced a blackout can relate to the initial lost feeling of being stripped of the things we tell ourselves we couldn't live without. When we are placed into that position, we realize the actual aspects that matter most to us. The stories are sincere accounts of fears and hopes that unfold in the wake of a power outage. Learn how good it feels to be honest, judge less, and appreciate more.
