It is fantastic and great. It is written in easy words and phrases instead of confusing. I am just delighted to explain how this is actually the best book I have got read through during my individual life and might be the finest publication for ever.

PARADISE SCREWED: SELECTED COLUMNS OF CARL HIAASEN

University Press of Florida. Paperback. Condition: New. 424 pages. Dimensions: 8.9in. x 6.0in. x 1.2in. Carl Hiaasen takes you on a wide-ranging safari, observing south Floridas wildlife in its natural habitat -- from fat-cat politicians to migrating mobsters, drowning dolphins to stray chads. This collection of Miami Herald columns -- written with a satiric wit and biting humor -- will give Hiaasen fans a glimpse of the facts that inspire his frenetic fiction. Harking back to the muckraking journalists of old, Hiaasen lets readers in on the comings and goings of corrupt local politicians, misguided tourist bureaus, and flailing sports franchises. He tackles such current events as the Elian Gonzalez imbroglio and the 2000 presidential election recount. All in all, more than two hundred columns chronicle the everyday circus that gives south Florida a flavor and a flair all its own. Since 1985, Hiaasens twice-weekly, baseball-bat-to-the-forehead column has given the average citizen a voice. A staunch defender of his native state, Hiaasen isnt afraid to take anyone on, including environmental despoilers, Big Tobacco, and the NRA. But as proven in his first collection of columns, Kick Ass, his righteous rage and spirited wit resonate far beyond the Sunshine State -- and show readers a world-class journalist in his element. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
