Imagine a town where the people perpetually live in the 1950s, a place where time has all but stopped and where everyone loves his family, job, and life. In this strange place, only a select few people ever leave the city limits and even then, they leave reluctantly. This is what fifteen and a half year old Benjamin Granault faces as, through a string of amazing events, he finds himself living in a town where he can never talk about modern technology or current events, a place where being an outsider can cost a person his life and being part of the community may very well cost more. Follow the adventures of Benjamin Granault in 50sVille, the strangest town Indiana has ever been unaware of. This item ships from La Vergne, TN. Paperback.
