Findhorn Press Ltd. Paperback. Book Condition: new. BRAND NEW, A Voice as Old as Time: Contemplations for Spiritual Transformation, David Bennett, In his second book, Energy Healer and Transformational Coach David Bennett uses contemplations to develop a center of focus in meditation and during daily life. The book can be used in daily practice and/or as a divination tool to see what reflective energy is needed in life at any particular moment for the user. Working with reflections helps the reader make empowered choices that imbue their lives and relationships with real substance and depth. In "A Voice as Old...
