Reviews

Without doubt, this is actually the best job by any publisher. It is written in basic phrases instead of difficult to understand. You will like the way the author publishes this publication.

Thomas Nelson Publishers, United States, 2015. Paperback. Condition: New. Reissue. Language: English . Brand New Book. The Gospel of Luke tells the story of Jesus from a perspective unlike any other. As a physician, Luke presents a detailed account of Jesus conception and birth. As a meticulous historian, he highlights Jesus parables, teachings, healings, and compassion to the outcasts in Israel. He follows Christ on His journey to the cross, recounts His last days that led to His crucifixion and burial, and documents Christ's victory over the grave. From the beginning of Jesus public ministry to the Lord's final words, Luke stresses Jesus willingness to go to the cross to complete His ultimate mission-to be the Savior of all the world. The MacArthur Bible Studies provide intriguing examinations of the whole of Scripture. Each guide incorporates extensive commentary, detailed observations on overriding themes, and probing questions to help you study the Word of God with guidance from John MacArthur.
