Reviews

Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Kian Harber)

MARLENE

Harper Collins Publ. USA Mai 2016, 2016. Taschenbuch. Book Condition: Neu. 228x151x32 mm. Neuware - From the cabarets of Weimar Berlin to the dazzling film studios of Hollywood's golden age, an enthralling novel of a glamorous legend Maria Magdalena Dietrich was born for a life on the stage. Raised in genteel poverty after the First World War, the willful teenager vows to become an actress and singer, trading her family's proper, middle-class society for the free-spirited decadence of Weimar Berlin's cabarets and drag balls. With her sultry beauty, smoky voice, and androgynous tailored suits, Marlene performs to packed houses-and becomes entangled in a series of stormy love affairs that push the boundaries of social convention-until she finds overnight success in her breakthrough film role as the cabaret singer Lola-Lola in *The Blue Angel*. For Marlene, neither fame nor marriage and motherhood can cure her wanderlust. As Hitler rises to power, she sets sail for America. Her image as an erotic temptress captures worldwide attention, and she becomes one of Hollywood's top leading ladies, starring in one high-profile film-and affair-after another. Though Hitler tries to lure her back to Germany, Marlene chooses instead to become a citizen of her new nation, even as America enters the war against her fatherland. But one day, she must return to Germany, escorted by General George Patton himself. In the devastated cities and the concentration camps, she comes face-to-face with how the evils of fascism transformed her country, and the family she thought she knew. Lushly descriptive, as alluring as the lady herself, Marlene reveals the inner life of a woman of grit, glamour, and ambition who defied convention, seduced the world, and forged a path on her own terms. Praise for *Mademoiselle Chanel* 'In this deliciously satisfying novel, C. W. Gortner tells the epic...
