

Sub-Saharan Africa: Key Issues, Challenges, and U.S. Responses (Paperback)

Filesize: 8.55 MB

Reviews

This ebook may be worth purchasing. it absolutely was writtern extremely completely and useful. You will not truly feel monotony at whenever you want of your respective time (that's what catalogs are for relating to when you ask me).
(Idella Halvorson)

SUB-SAHARAN AFRICA: KEY ISSUES, CHALLENGES, AND U.S. RESPONSES (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The 115th Congress and the Trump Administration are reviewing existing U.S. policies and programs in sub-Saharan Africa (henceforth, Africa) as they establish their budgetary and policy priorities toward the region while also responding to emerging crises. Africa-specific policy questions did not feature prominently in the 2016 U.S. presidential campaign, and the views of the Trump Administration on many U.S.-Africa policy issues remain unspecified. The Obama Administration s Strategy Toward Sub-Saharan Africa identified its policy priorities as strengthening democratic institutions; spurring economic growth, trade, and investment; advancing peace and security; and promoting opportunity and development. Analysts continue to debate whether that Strategy reflected an appropriate mix and ranking of priorities, as well as the degree to which the Obama Administration s actions reflected its stated goals. Congressional action on trade and electrification projects in Africa in the 114th Congress suggested some shared priorities with the Obama Administration. The Obama Administration s efforts to promote greater private sector engagement and youth leadership in Africa won praise from various quarters. At the same time, analysts have probed whether the Obama Administration s emphasis on building democratic institutions in Africa was matched with appropriate resource allocations, and whether President Obama s stated support for democratic accountability was undermined by close U.S. partnerships with authoritarian-leaning states in East Africa and by a growing emphasis on security relationships. Africa is a top destination of U.S. foreign aid. Following significant increases during the George W. Bush Administration in the 2000s, civilian-administered aid levels allocated for African countries remained largely flat during the Obama Administration, reflecting overarching budgetary constraints among other considerations. The areas of emphasis nonetheless shifted in some ways, with new presidential development initiatives focusing...
