### GET AGILE

Thames & Hudson Sep 2012, 2012. Taschenbuch. Book Condition: Neu. 208x152x15 mm. Neuware - Scrum is a project management method that dissolves boundaries and distributes responsibilities which in other methods have been protected for years. It is a radically different way of working: as many activities as possible take place at the same time, in the same room. Scrum is fast and delivers very high product quality at the same time. The book is a manual. It is aimed at...
