Reviews

Absolutely essential go through pdf. Yes, it is actually play, nevertheless an amazing and interesting literature. You are going to like how the article writer compose this book.
(Pinkie O'Hara)

POETRY: VISIONS OF LOVE AND IDEALS

iUniverse, United States, 2006. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.

Poetry: Visions of Love and Ideals is a diverse collection of verse-interspersed with passion and humor-that focuses on love, relationships, and the personal reflections that weave a compelling story. Fabian, a seasoned songwriter, divides his collection into four chapters-Love, Carnal, Picture It, and Ideals. With lines such as Truth and love are a marriage of two; I never knew the truth until I met you, and My exploratory self had been lying on a shelf, until you came along and awakened it with your personal touch, Fabian explores both genuine and unrequited love with a unique perspective. His personal and provocative style is reflected in the poem Caress, as he lyrically demonstrates a sensual massage with the tender words Slowly and lovingly, I glide my masculine hands over the gyrating pores of your baby soft skin. Fabian tackles the question What is fulfillment? in his final chapter as he delves into discovering his purpose and spiritual enlightenment. In Poetry: Visions of Love and Ideals, Fabian s introspective words will not only intrigue and awaken your soul but also will encourage you to explore your own ideals, relationships, and expressions of love.
