Reviews

Certainly, this is the greatest work by any author. It can be written in easy words and phrases rather than confusing. I am just happy to let you know that this is actually the greatest ebook we have studied inside my individual daily life and may be the greatest ebook for at any time.

Brand New Book ***** Print on Demand *****.Excerpt from Reminiscences Among the most precious records in the world s literature are the autobiographical accounts wherein great men set forth the story of the development of their powers, and detail the conditions and circumstances under which they lived and among which they worked. If such men have been not only thinkers, but also toilers; if they have exerted a decisive influence at critical periods; if, by the force of their personality, they have been enabled to shape the trend of events, then the tale unfolding the secrets of their inner life and thought, and describing the motives that determined their activity, obtains an even added value. The autobiography in such cases has worth, not only as a psychological study, but also as a valuable historical contribution. The reminiscences of Dr. Wise have indeed this double character. They reveal not only the man, his thoughts, his strivings, his hopes, his ideals, during a most important epoch of his life, but they present also a most valuable account of the conditions prevalent in American Jewry during the critical period of the formative years.
