

College Christians and God

Filesize: 8.54 MB

Reviews

This publication will never be effortless to get started on reading through but very entertaining to read through. It normally is not going to expense too much. I discovered this publication from my dad and i encouraged this book to find out.

COLLEGE CHRISTIANS AND GOD

[DOWNLOAD](#)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book has been written to provide college students with 7 keys for spiritual growth. It is a small book that will help you maintain your walk with Jesus throughout your college life; something that can be used as a College Christian manual. The seven keys to spiritual growth relate to our ability to focus in on God, while minimizing those aspects of our lives that might be a distraction to us. Whether we are at college or socializing, none of these activities should ever distract us from our focus on God. Therefore this book will help you to: do things God's way; trust in God's guidance; stay focussed on God; overcome a critical spirit; gain God's peace in your heart; look forward rather than looking back; and recognize that you are God's key to spiritual growth. Prayer will be a recurring theme throughout this book. Although this is a mini book, I would advise you to read through its pages and meditate on what God is trying to say to you, when it comes to matters pertaining to spiritual growth. And most of all I pray that this book will encourage you on your journey with the Lord during your college years.
