Reviews

A really great publication with lucid and perfect reasons. I have read through and i am confident that i am going to gonna read yet again yet again down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The notebook of choice for creatives and bullet journalists who are so in love with nature! Great for everyday writing and ideation, this dot grid book, **Black Stones: Bullet Grid Journal with Page Numbers (5x8 in), 150 Dotted Pages, Softcover**, is packed with all these wonderful features; Matte laminated finish that helps repel liquid and toughens the paperback cover. As many as 150 dot-grid pages on the paper that is thicker than general notebooks. (Extra blank sheets may still be required in case of using with some marker pens.) 0.25-inch spacing between each dot, which is the same as Narrow ruled standardized formats of ruled paper. So, you can rest assured you are about to write in the space that you are familiar with. All dots are in light gray, which is easier on the eyes, and less distracting when you write, while they can still guide your writing perfectly. Cream paper gives the book its natural and adventurous touch. Every page comes with its page number at the bottom, with enough space to write next connecting pages if you do threading or connect with other journals. The page numbers also allow you to make table of contents, or index, with ease, saving tons of time! Dot grid makes it easy to write in straight lines but also allows you to do things sideways, diagonally, or even free form. Ideal for bullet journaling and other dynamic note-taking methods, because of its flexibility to different layouts! Book industry standard binding with the spine in which you can write your own personal book volume number, so, once a book is full, you can continue on the next, and develop a complete collection of...
