Reviews

A top quality book along with the typeface employed was interesting to learn. It is one of the most amazing book we have study. I discovered this pdf from my i and dad recommended this book to learn.
(Mr. Sterling Hane)

TWENTY TO MAKE: CHOCOLATE ANIMALS (PAPERBACK)

Search Press Ltd, United Kingdom, 2012. Paperback. Condition: New. Language: English . Brand New Book. Best selling sugarcraft author, Frances McNaughton shows how to make chocolate animals for cake decorating using modelling paste and basic tools and techniques. This book features a menagerie of chocolate creatures made using white, milk and dark chocolate modelling paste, enhanced with chocolate buttons, sprinkles, chocolate spreads and confectionery. The animals will be easy to make like those in Twenty to Make Sugar Animals, and suitable for beginners, with a few more challenging models for more advanced sugar crafters. First we learn about the simple shapes that are the basis for all the animals, and the few basic tools that are needed. Then it is straight on to making a rabbit, teddy bear, cat, kitten, dog, puppies, mouse, dinosaur, Christmas reindeer, owl, chimpanzee and white seal pup, and much more. The constituent parts of the animals are shown with the step by step instructions, and annotated for clarity, then each finished animal is pictured in all its splendour. Both animal and chocolate lovers will be thrilled to see any of these appealing creatures on top of a celebratory cake. The designs will also appeal to makers of polymer clay models.
