If you are an alternative practitioner you will quickly sharpen your skills, learn more powerful approaches to emotional, mental and physical ailments. As a practitioner you will understand and work more efficiently with your clients. Under each disease you will find emotional components and accurate key points guiding you to effective alternative ways to heal and how to find core issues. Understanding trauma. Beliefs and emotions are often only symptoms of our problems and not the cause! Find out why! In Metaphysical Anatomy I wrote about diseases from A to Z, the emotional components related to those diseases as well as key points as to how to approach the condition with the intention to improve ones quality of life. Metaphysical Anatomy includes step-by-step guide for identifying the origin of the disease process, whether it be in your ancestry, conception, womb, birth or childhood. The information shared in this book is not just your average, oh I have seen this before research, this is something new and unique. It will take you on a deep journey that you never once thought was possible! Metaphysical Anatomy represents the connection between mind and body. Based on the principle of as above so below, as within so without, you can connect the dots between the health of your body and...
