

Galileo's Daughter: A Historical Memoir of Science, Faith, and Love (Paperback)

Filesize: 1.01 MB

Reviews

It is one of the most popular publications. We have read through it and I am sure that I will likely to study it again once more later on. I am just delighted to tell you that this is actually the finest publication we have read through in my individual existence and might be the best pdf for actually.

WALKER CO, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. Inspired by a long fascination with Galileo, and by the remarkable surviving letters of his daughter Maria Celeste, a cloistered nun, Dava Sobel has crafted a biography that dramatically recolors the personality and accomplishments of a mythic figure whose early-seventeenth-century clash with Catholic doctrine continues to define the schism between science and religion-the man Albert Einstein called the father of modern physics-indeed of modern science altogether. It is also a stunning portrait of Galileo s daughter, a person hitherto lost to history, described by her father as a woman of exquisite mind, singular goodness, and most tenderly attached to me. Moving between Galileo s grand public life and Maria Celeste s sequestered world, Sobel illuminates the Florence of the Medicis and the papal court in Rome during the pivotal era when humanity s perception of its place in the cosmos was about to be overturned. During that same time, while the bubonic plague wreaked its terrible devastation and the Thirty Years War tipped fortunes across Europe, Galileo sought to reconcile the Heaven he revered as a good Catholic with the heavens he revealed through his telescope. Filled with human drama and scientific adventure, Galileo s Daughter is an unforgettable story. Praise for Galileo s Daughter [Sobel] shows herself a virtuoso at encapsulating the history and the politics of science. Her descriptions of Galileo s ideas. are pithy, vivid, and intelligible. -Wall Street Journal.
