THE INTELLIGENT COLLABORATION THEORY AND IMPLEMENTATION METHODS OF URBAN ROAD TRAFFIC SYSTEM(CHINESE EDITION)

DOWNLOAD PDF

paperback. Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Pub Date :2009-01-01 Pages: 191 Publisher: China Railway Press divclass = ContentText intelligent collaborative theory and implementation methods of urban road traffic system is the core research areas of intelligent transportation systems (ITS). the theory is also intelligent transport the basis of the theory of the system. Intelligent collaborative theory of urban road traffic system. mainly through urban traffic control system (UTCS) order parameter of the urban traffic flow inducible system (UTFGS) on the coordination and integration of the various modes of transport resources. through good collaboration to improve and perfect the entire transport system. to ensure that the city the operating efficiency of the road transport system. This book summarizes the results of scientific research of recent years. many theories. models and methods presented in the book is the latest research results of the theory of intelligent transportation systems. The book mainly includes: based on the the collaborative theory UTCS with UTFGS of coordination framework; UTCS the collaborative UTFGS information analysis and processing; the collaborative model study of UTCS with UTFGS of; the UTCS and collaborative implementation method UTFGS.; emergencies UTCS and UTFGS the collaborative management; UTCS UTFGS of the Collaborative Evaluation. This book can be used as transportation engineering class undergraduate and traffic information engineering and control. transportation planning and management. carrying on the use of engineering graduate students. doctoral and training courses reference books. Also available for scientific research and technical staff engaged in the field of intelligent transportation systems. traffic engineering and control. transportation planning and management work reference. divFour Satisfaction guaranteed, or money back.
