Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.A. Target Market: Novices to experts who are or must become employed. B. My book is unique because it details how to find work and keep it from a librarian s perspective. The book has no tacky guarantees. It covers a variety of employment strategies, including non-traditional solutions. My family background, employment and experience make me an expert on the book topic. C. I am the best person to write this book: My father was a famous, New York City Teamster labor leader who passed on many of his organizing stories and tactics, including work related attempts on his life. I am a native New Yorker, NYC published, college librarian and journalist, with two graduate degrees, one in Vocational-Technical Education, the other Library Science, published Internet, computer and fitness columnist in NYS since 1999, NYS Certified Public Librarian, with NYS Teaching Certification in Media Communications, who created and ran a career preparation computer lab for at-risk youth through the US Department of Labor as well as being a SUNY Communications Instructor and YMCA Fitness Director. A college librarian and professor in Downtown Brooklyn, with a sister location in Manhattan, I have access to over 5000 students daily. Internet in Bloom the monthly Internet review column has been published in the Queens Gazette based out of Queens in NYC, both in hard copy and online, since 2011. The hard copy readership alone is one million. D. Additionally, I almost died due to a sudden attack of cellulitis in a Yonkers hospital in 2007. If it were not for my employer provided medical insurance I could have gone bankrupt. The importance of having health insurance regardless of one s income...
