Belle's story begins in the captivating spin-off of the New York Times best-selling Royals Saga. I made myself a promise: No men. No romance. No waiting around for a prince that's not going to come. Because some girls don't get happily ever afters. Some girls only get broken hearts. Which is exactly why I should stay away from him. He's vile. He's arrogant. He's controlling. And I don't trust him. But some men get into your blood - under your skin. Some men you just can't get enough of. Some men you just crave. This a full-length novel. It's recommended you listen to the previous books, but not necessary to enjoy the story.
