New Riders Publishing, 2009. Softcover. Condition: Neu. Unbenutzte Restauflage Unbenutzt. Schnelle Lieferung, Kartonverpackung. Abzugsfähige Rechnung. Bei Mehrfachbestellung werden die Versandkosten anteilig erstattet. - A companion to Jeffrey Zeldman's *Designing with Web Standards*, this book approaches standards from a more tactical and instructional point of view. Today's web designers and developers need to update their skills and knowledge and get away from out-of-date table and font-based approaches. In *Developing with Web Standards*, they will learn current best practices in standards-based development. The topics covered are based on the author's extensive experience from the professional development trenches and will give readers a thorough grounding in contemporary web development technologies and techniques with a focus on relevant emerging aspects of HTML, CSS, and other web standards. 413 pp. Englisch.
