Forgotten Books, 2017. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****. Excerpt from Histoire de l Ornement Russe du X au XVI Siecle: D Apres les Manuscrits Cette industrie de village a des origines fort anciennes elle compte certainement des siecles d existence. Les ethnographes et les archeologues y trouvent la trace des styles byzantin et oriental ils sont fondees sans doute a l expliquer par de longs et anciens rapports des Russes, tantot avec l empire grec, d ou ils ont recu la religion orthodoxe, tantot avec les tribus asiatiques, dont ils ont subi le joug, et qui maintenant reconnaissent en paix leur domination. Neanmoins un examen attentif de ces oeuvres naives y fait decouvrir des signes d une originalite sui gene-ris. On est porte du moins a reconnaitre que ces elements artistiques, quelle qu en soit la provenance, se trouvent assimiles par le peuple russe et profondement modifies par l application a ses usages. Des lors ce ne sont plus des copies ni meme des imitations, c est de l art independant, dans lequel on reconnait les traces d une in?uence etrangere. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition.
