Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This is it. This is that book you've been secretly longing and hoping for. It's the story of Jody, who starts out as your average teenage misfit but somehow manages to pull off the mother of all ugly duckling routines. In the ensuing chapters of her life and these pages, you'll be treated to a highly irreverent and sexually charged narrative of our delectable heroine's personal growth, business success and meteoric rise in popularity, especially on stage. Of course it takes a little hard work, as you'd expect. It also takes a dash of ambition, a wave of free spirit and a raunchy set of performances designed to get your foot tapping, your heart racing and your blood pressure soaring. In a unique, engaging and thoroughly enjoyable plot, Jody and her friends have some particularly uninhibited moments of personal pleasure and experimental indulgence that are guaranteed to shock, surprise and excite. She also gets her own back on the incredibly horny and rakish bastard (and all his bitches) who was the root cause of her life-changing transformation in the first place. Expect a cast full of lovable rogues and feisty, vibrant young ladies. Then prepare yourself for travel and trailblazing, excitement and opportunity, scintillating sex and the ultimate in tales of revenge. Go on admit it. This could be your story.
