Annetta Peckham, Author of Welded Links Destiny is a spreading out on the canvas of time the wonderful conceptions of God s purposes, which have been inlaid in the magnetic cable of eternal thought, to be separated into knots and skeins, as warp and woof on the reel of eternity. And from thence to be woven by the mystic shuttle of Irresistible Will, in the loom of Incomparable Majesty into fault less fabrics with which to clothe the perfection of illimitable works. The tapestry of mortal life, the adornments of earth and sky, the glory Of angels, the bliss of saints, are but the inimitable patterns of the Almighty s design, transferred to the objects for which they were designed. The developments of each day, both in time and eternity, are but the results of the unfoldments of the Almighty s purpose, liberated from the girdle which encompasses Divine will. The vari ous manifestations presented for human observation, are as natural a sequence as the cycle of changing sea sons. Time is the mighty power which unrolls the coil wherein is deposited the hidden intents of the Lord. The people who are yet to walk this earth; the statesmen who are to manipulate the affairs of na tions yet unborn; the orators, poets and scholars who are to electrify human intelligence in the centuries.
