Legendary Locals. Paperback. Condition: New. 128 pages. Dimensions: 9.2in. x 6.5in. x 0.5in. Crookston is in the heart of the fertile Red River Valley. Railroad baron James J. Hill positioned the city to be a hub of transportation, so Civil War veterans and railroad workers settled Crookston first. At Hills behest, a long tradition of learning how to farm smart started with the Northwest School of Agriculture in 1906. Facing a short growing season, farmers stayed close to the soil and invented better implements to harvest the areas bounty. The tradition of improving technology continues from the century-old practices begun at the Experiment Station. Currently, precision agriculture is taught at the University of Minnesota, Crookstons laptop university. Familiar family names from Crookstons retail sector have prevailed throughout the farmers cycle of boom and bust. Many other talented personalities shine through, especially those skilled in sports and music. Also included in this volume are unsung heroes for their acts of kindness and volunteerism. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
