

Peace Economics: A Macroeconomic Primer for Violence-afflicted States

By Jurgén Brauer

United States Institute of Peace Press. Paperback. Book Condition: New. Paperback. 172 pages. Dimensions: 8.9in. x 6.0in. x 0.4in. Creating sound economic policy and a stable macroeconomic framework is essential to societies recovering from violent conflict, yet few practitioners have the background needed to apply economic concepts effectively. To provide practitioners with a concise but broad overview of macroeconomic fundamentals as they touch on violence afflicted states, Brauer and Dunne have created Peace Economics. Filling a gap in the literature on peace design from an economic perspective, Peace Economics extends beyond economic principles into the wider realm of social reconstitution, social contract, and social capital in the hopes of helping practitioners build a more stable peace. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
