

## The Morning After Earth Day: Practical Environmental Politics (Paperback)

By Mary Graham

BROOKINGS INSTITUTION, United States, 1999. Paperback. Condition: New. New. Language: English . Brand New Book. As we approach the 30th anniversary of Earth Day (the first of its kind was April 1970), congressional debate about environmental protection often remains paralyzed and polarized. But across the country, environmental pragmatism is gaining ground. The Morning after Earth Day explores how policymakers, business executives, and citizen groups are fighting novel political battles and sometimes making peace with surprising compromises. After a generation of progress in reducing large sources of industrial and municipal pollution and in improving management of public lands, today's environmental conflicts are more complex. They involve controlling pollution caused by farmers, small businesses, drivers of aging cars, and homeowners, as well as minimizing ecological threats on private land. Remedies often lie in politically treacherous territory--persuading ordinary people to change their daily routines rather than ordering big business to adopt new technology or government officials to manage land differently. As Mary Graham shows, practical approaches are resolving immediate disputes and providing clues for future policy. But core dilemmas remain. They include how to reconcile environmental protection with respect for private property, how to balance federal and state authority, and how much...
