Jewish Lights Publishing, United States, 2008. Hardback. Book Condition: New. 188 x 132 mm. Language: English . Brand New Book. Connect with the birth, growth, change, joy, love and inner strength of mothering. Take a spiritual voyage through blessings, prayers, anecdotes and meditations about the sacred undertaking that is motherhood. These words of hope and healing, pain and promise, are for all mothers traditional, single, adoptive, foster, step and bereaved and are drawn from many faith traditions, including Christian, Jewish, Buddhist, Hindu, Muslim and Native American. Special multifaith ceremonies offer ways to honor many aspects of motherhood, such as: becoming a new mother, either through birth or adoption; welcoming children into the larger community; and acknowledging the experience of weaning a child. Insightful and wise, the expressions in this soulful collection illustrate the paradox of motherhood and will speak to your heart as you see motherhood in a whole new and holy way. Contributions stem from both ancient and contemporary sources, and many contributions were written specifically for this book. Contributors: Maya Angelou Dev Arjan Isaac Babel Abdu l-Baha Sarah K.
