From the Preface: THIS little book has been written mainly with the object of interesting the young people of all ages who are connected with the Evangelical Free Churches, and of setting them on the right course of study in order to arrive at a proper knowledge of the history of their spiritual forefathers. For this purpose, great care has been taken to make the story historically accurate, or as nearly so as is possible within the limits assigned. The author has attempted to be strictly fair to men of all parties, and has avoided all assumptions that, in the conflicts of past times, one side was right and the other necessarily wrong. This method of writing, of course, deprives the reader of some of that glow which comes from the perusal of books that are more partisan, but the loss is surely compensated by the increased historical sense which results from a more sober view of old controversies. To those of us who are modestly, yet firmly, assured that we are holding to the highest truth that is possible for ourselves, there is no gain in refusing to grant that others may be right for themselves, though unable to agree with us on matters which, after all, transcend the powers of human finity. The author may as well confess, once for all, that the treatment of the subject is unequal. Much more space has been given to the older Dissenting bodies than to those which originated in the eighteenth and nineteenth centuries. This was necessary to the purpose of the book, which aims at illustrating and elucidating, by historical narrative, our present position. But he wishes to guard against a...
