

Jane Austen s Letters (Hardback)

Filesize: 9.68 MB

Reviews

An extremely wonderful ebook with lucid and perfect explanations. I was able to comprehend almost everything using this composed e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Oxford University Press, United Kingdom, 2011. Hardback. Condition: New. 4th Revised edition. Language: English . Brand New Book. Jane Austen s letters afford a unique insight into the daily life of the novelist: intimate and gossipy, observant and informative, they bring alive her family and friends, her surroundings and contemporary events with a freshness unparalleled in biography. Above all we recognize the unmistakable voice of the author of *Pride and Prejudice*, witty and amusing as she describes the social life of town and country, thoughtful and constructive when writing about the business of literary composition. R. W. Chapman s ground-breaking edition of the collected Letters first appeared in 1932, and a second edition followed twenty years later. A third edition, edited by Deidre Le Faye in 1997, added new material, re-ordered the letters into their correct chronological sequence, and provided discreet and full annotation to each letter, including its provenance, and information on the watermarks, postmarks, and other physical details of the manuscripts. This fourth edition incorporates the findings of new scholarship to enrich our understanding of Austen and give us the fullest and most revealing view yet of her life and family. There is a new preface, the biographical and topographical indexes have been amended and updated, a new subject index has been created, and the contents of the notes added to the general index.
