Image Comics, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. The Bounce stars Jasper Jenkins, just your average, twenty-something guy who gained his powers though surreal circumstances. When he s not hanging out and doing a lot of nothing, he puts on a costume and hits the streets as the Bounce, a superhero in a world that s not used to super-powered heroes and villains. Jenkins may be a slacker superhero, but The Bounce is loaded with depth, as Casey and Messina explore what would make a person put on a costume and fight crime, the pressures of modern identity politics, and even some good old-fashioned superheroic action.The entire, mind-bending, twelve-issue saga of The Bounce is collected in this volume!.
