Reviews

This publication might be well worth a read, and much better than other. It really is simplified but excitement inside the 50 % of the book. You will not feel monotony at whenever you want of the time (that's what catalogues are for concerning when you check with me).

CHORALE AT THE CROSSING (PAPERBACK)

Pan MacMillan, United Kingdom, 2016. Paperback. Condition: New. Main Market Ed. Language: English . Brand New Book. When Peter Porter died in 2010 his reputation as one of the greatest Australian poets had long been settled. Chorale at the Crossing gathers together the work Porter completed after the publication of his widely-praised final collection Better than God, and shows a remarkable and capacious mind - apparently furnished with half the contents of Western culture - still working at full tilt, despite the imminence of his own passing. Chorale at the Crossing contains love poems, comic excursions, and meditations on art, death, music and nature, all written with Porter's phenomenal technical facility and immense good humour. Chorale at the Crossing is the last word from one of our wisest and most compassionate poets - and is, quite simply, necessary reading.
