

Paying for College: The Greenes Guide to Financing Higher Education

By Matthew Greene, Howard R Greene

St Martin s Press, United States, 2004. Paperback. Book Condition: New. 229 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.In the last 20 years, tuition has increased by a factor of more than 200 percent, which is 3 times the increase in earned income of the average family. It takes from 25 to 30 percent of a family s yearly after tax earnings to pay for a single child s college education. Utilizing their access to college counseling, admissions, and financial aid professionals at colleges and universities across the country, this father and son team have developed a program to make paying for college manageable. They enlighten, motivate, and encourage students and their parents to follow a set of 10 principles designed to help families get a handle on saving and financing a college education. Their mission is to reassure and to help families of every income level and at every stage of preparation to plan a strategy for paying for college.
