

The Pocket Parent (Paperback)

Filesize: 2.38 MB

Reviews

This book is definitely not effortless to start on looking at but really exciting to see. It really is simplistic but surprises from the 50 % from the pdf. I am just effortlessly can get a delight of looking at a published book.

Workman Publishing, United States, 2001. Paperback. Condition: New. Language: English . Brand New Book. It's instant relief - for when your 2-year-old is on the floor of the toy store, throwing a fit. Or when brother and sister discover that they can't stand each other. Or when your son can't say no to video games. THE POCKET PARENT is, literally, a pocket-size book of tried-and-true advice, common sense, parental wisdom, and sanity. Written by two professionals who've reared six children between them and made a career out of helping others with parenting issues, this handy book will be a lifesaver for every parent of a 2-to-5-year-old. It begins with an overall view of the POCKET PARENT approach to discipline. Based on unconditional love but firm limits, and aimed at keeping the child's dignity and self-esteem intact, here are strategies that include I statements, modeling, family meetings, and one word requests. Once the ground rules are set, the guide moves to an A-to-Z compendium of common problems. Just look it up - Anger, Bad Words, Biting, Chores, Doctor Visits, Fears at Night, Lying, Separation, Anxiety - and find the Sanity Savers list of suggestions, easy-to-follow bullets, anecdotes, and more. For the bag, glove compartment, backpack, or shelf in the kitchen, it's there for you whenever you need it.
