Dreadnought Bayern 1913-1934 (Paperback)

By MR Gustavo Uruena a

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.IN World War II sea power reached the culmination of its influence on history. The greatest of air wars and the one which saw the most titanic battles of all time on land was also the greatest of naval wars -- not alone in the magnitude of naval operations but also in the degree to which those operations contributed to final victory. It could hardly have been otherwise in a war which was truly global, in which the pooling of resources of the great Allies depended upon their ability to traverse the sea, and in which American men and materials, including aircraft, hammered and defeated the enemy in remote theaters which could be adequately serviced only by sea. Yet this unparalleled accomplishment of Allied sea power occurred in a war during which the very existence of navies was threatened. Although the land-based airplane was the original cause of the threat, the nature of the crisis which Allied sea power met and overcame cannot be adequately described merely in terms of ship versus aircraft. The menace of the enemy airplane was intensified...
