At the peak of her academic career on the Binghamton University campus, Laura Eustache was a second-year resident assistant, university newspaper writer, student association leader, and 3.9 GPA rising senior. But her world would soon come to a screeching halt when she returned to finish in the fall of 2007. Suffering from intense dizzy spells, disorientation, and feelings of suicide ideation, Laura would be forced to withdraw and spend the next four years of her life recovering. The Audacity to Finish is the recanting of one millennial womans journey from the depth of a spiritual attack and depression to the height of returning to finish her degree, discovering her purpose, and starting a family.
