Outskirts Press, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.As part of a team-building exercise at work, Ellen Cumbess took a personality profile assessment that classified attendees as either lions, monkeys, turtles, or camels. Ellen was a lion. As this light bulb of realization begins to flicker, the author summons to mind the events that led to the creation of this lion personality. This was the beginning of Ellen s exploration into her own history which took her down the road she had always wanted to travel; the road she had been on her entire life, without a steering wheel. Tales of a Lion is the memoir of a native New Yorker struggling to overcome anger and resentment stemming from the events of her early childhood. It is the story of a lion s self-examination of a life spent roaring in search of inner peace; and in the end provides an answer to the question: Does a lion always have to roar?.
