FOLKTALES FROM AROUND THE WORLD VOLUME ONE: ANTHOLOGY OF FOLKTALES (PAPERBACK)

Norma Gangaram, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Folktales from around the world volume one is a collection of folklore from many countries such as Germany, Canada, America, India, Japan, Britain, Russia, Nigeria, Africa, Denmark, Ireland, Czech, Transylvania, Finland, Haiti, China, Native Mohawk. My motivation for retelling these folklores was for the benefit of my grandchildren. I wanted them to understand that every culture is unique in their own rights even though their language is different from that of others. Even though the other person might be of a distinct persuasion, they are regardless of the same. Be tolerant of all peoples in every circumstance. In our diverse society, it is very important that they learn to exercise tolerance at all times regardless. Although people are of a different culture or maybe eat unusual food, we are human beings. However, there is one language we all know how to speak and that is the language of Love and Kindness. With Love and tolerance, we can break all barriers. A smile can speak a thousand words as well as it can give off enough heat to warm the heart.
