*Simply no phrases to clarify. It is really basic but surprises from the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

## PRAIRIE KNIGHTS: WESTERN AND COWBOY POETRY (PAPERBACK)

Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Prairie Knights, the name of this book, simply recognizes the work and dedication of those who tamed and shaped the Great American West. They were a diverse body of adventurers, pioneers, ranchers, and cowboys who addressed and conquered the many challenges of the western scene. They were white, black, and brown knights who rode, as did the Knights of old, against the dragons of their time. Here are pages of discovery -- the reality, the humor, and the pathos of life in rural America. An award-winning author, Clark Crouch, brings back to life the Great American West through western and cowboy poetry inspired by Charles Badger Clark, the classic cowboy poet. Here are poetic tales of our American West drawn from the author's own youthful experience as a cowboy growing up during the Great Depression and experiencing years of drought in the Sandhills of Nebraska. This book captures his viewpoints and reveals his biases as he shares poetic tales of western living yesterday and today. Clark Crouch is the author of Western Images which won the 2008 Will Rogers Medallion Award for Cowboy Poetry and Views from the Saddle which won that same award in 2010. In addition to nine other books, he has edited and published three anthologies. Eight Viewpoints, Poetic Reflections At The Creekside, and Western Viewpoints. which together offer an eclectic collection of modern and traditional poetry by more than 50 contemporary poets.
