Machine Gods (Paperback)

By Michael G Thomas

Swordworks, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Machine Gods is the second book in the epic new series set in the Star Crusades universe that chronicles humanity's first steps away from Alpha Centauri and beyond. After decades of war, the Alliance reached the Orion Nebula and discovered the advanced but shattered remnants of the T Kari. People and ships are diverted to this rich area of space to continue its exploration and exploitation. At the same time a secretive faction of the T Kari, known simply as the Raiders unleash attacks on any ships or facilities left unguarded, be it human or T Kari. A special operation against a Raider ship by elite commandos led by Spartan from the APS Corporation is the catalyst for something much greater. The simple operation quickly leads to disaster as the ship vanishes through an unknown Rift with Spartan and his team still onboard. With this disappearance, the T Kari offer information that will change the lives of both races forever, the location of the mysterious star system known as Helios. This almost mythical central nexus is used by all known sentient beings...

Reviews

A whole new eBook with a brand new perspective. it was actually writtern quite completely and useful. I found out this ebook from my dad and i recommended this ebook to discover.
