iUniverse, United States, 2004. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Hailey Bailey has never been noticed, recognized or remembered. After a transient childhood spent in the cab of a Mack truck, Hailey is now 43 years old, overweight and stuck in a go-nowhere job with Jesus, her ex-husband who filed for divorce in an inner office envelope. When a rare impulse strikes, Hailey buys a Daily Lottery ticket thinking she will never win. But when she does win and continues to win every time she buys a ticket, hard-nosed news reporter George Sprinkle is on the case, threatening to expose Hailey of pulling off the biggest lottery scam in state history. But it s not the money Hailey is drawn to--it s the fact that miraculously, people are nice to her every time she wins. But the once-famous investigative reporter needs a big story to save his journalistic reputation and deflated ego and nothing will stop him from publishing his story. Throw in a Chinese restaurant, one night with a Kenny Rogers impersonator and a few trips through the all-you-can-eat fried bar, and you ve got the twist-turning tale of Hailey Bailey, the woman you won t notice but will never forget.
