BIBLE PROPHECY AND MODERN PROPHECY EXPLORED

The Glorious Cross Community, 2012. Soft cover. Book Condition: New. No Jacket. 1st Edition. New and unread, With very little bookstore shelf wear, Brand New. This book is unique in scope and in the aim of bringing together the two sources of prophecy - It is widely accepted that we are now living in Apocalyptic times which means that both good and bad things will happen. Chris Francis shows how eleven out of thirteen accepted signs of the approaching Second Coming of Jesus have been fulfilled. However, events will still unfold over a number of years. Through examining modern prophecy and Bible prophecy, the author reveals the sequence of events that we can expect. The modern prophecy comes from catholic sources, therefore the first chapters aim at explaining the basics of Catholic Christianity for those who are new, or who need to remind themselves. The picture builds up gradually, and by the middle chapters the discussion should be sufficiently in-depth to interest Clergy and Lay readers This book is unique in scope, and in the aim of bringing together the two sources of prophecy.
