Little, Brown Company, United States, 2012. Paperback. Condition: New. Reprint. Language: English . Brand New Book. My imagination is always skulking about in a wrong place. And now Doyle Redmond, thirty-five-year-old nowhere writer, has crossed the line between imagination and real live trouble. On the lam in his soon-to-be ex-wife s Volvo, he s running a family errand back in his boyhood home of West Table, Missouri--the heart of the red-dirt Ozarks. The law wants his big brother, Smoke, on a felony warrant, and Doyle s supposed to talk him into giving up. But Smoke is hunkered down in the hills with his partner, Big Annie, and her nineteen-year-old daughter, Niagra, making other plans: they re about to harvest a profitable patch of homegrown marijuana. Doyle takes just one look at Niagra s flattering red boots before joining his brother s scheme. Of course it means dealing with the law and maybe worse--the Dollys. A legendary clan of largely criminal persuasion, the Dollys have been feuding with the Redmonds for generations. Now they want a piece of Smoke s cash crop, even if it means killing to get it. Doyle is fast realizing that yes, you can always put the country back in the boy.but sometimes that s not smart.
