Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Topics covered: uses of cost and management accounting information, Cost classification, overhead costs allocation and apportionment, Traditional costing methods (marginal and absorption costing methods), Activities based costing (ABC) method, Cost behaviour and statistical techniques (high-low method and regression analysis techniques), Accounting for materials (orderlevels, EOQ, EBQ, FIFO, LIFO WA), Accounting for labour, Job and batch costing, Process costing, joint-products and by-product costing, Short-term decision making: relevant costing technique, Short-term decision making: limiting factor (ranking method and linear programming), Cost-volume-analysis (CVP analysis), Pricing decision, Long-term decision-making techniques (payback methods, ARR, NPV and IRR), Budgeting, Standard costing and basic variance analysis. My experience as a university lecturer in multi-cultural environments (England) shows that most students always dread this area of their study before the classes start, which actually surprises me because I found this area of study interesting during my study days and as a lecturer. But quite remarkably, at the end of the semester, with my systematic analysis, my students end up liking the course, and it becomes a favourite course to them in all institutions where I have worked. Hence I decided to publish my lecture notes in the form of a textbook. The ultimate aim of this book is to: Provide students with knowledge, skills and confidence required in understanding cost and management accounting for both accounting and non-accounting students at the university degree and professional examination levels. The primary focus is to discuss fundamentals of costing to form a solid foundation to management accounting courses at undergraduate, post-graduate and professional examination levels. The areas covered are presented in clear English language with clear and helpful layouts and formats on how to solve questions on a systematic and consistent basis. Accounting...
