

Grass for His Pillow (Paperback)

Filesize: 8.1 MB

Reviews

An extremely great ebook with perfect and lucid answers. This is certainly for anyone who statte that there was not a well worth looking at. Its been designed in an exceptionally simple way and is particularly only soon after i finished reading through this ebook in which actually transformed me, modify the way in my opinion.

Pan MacMillan, United Kingdom, 2017. Paperback. Condition: New. New Edition. Language: English . Brand New Book. Grass for His Pillow is the second novel in Lian Hearn s astonishingly beautiful series inspired by feudal Japan, Tales of the Otori. In the ancient Oriental lands of the Otori, amidst a time of violent war, famine and treacherous alliances, the fate of the young lovers Otori Takeo and Shirakawa Kaede hangs in the balance . . . Takeo, heir to the great Otori clan, has pledged his life to the secret Tribe. His supernatural skills of virtual invisibility and acute hearing make him their most deadly assassin. But he must deny the solemn oath of vengeance he made, his adopted birthright of wealth, land and power - and his love for Kaede. If he does not devote himself entirely to the brutal ways of the Tribe, they will kill him. Whichever path he chooses, it will lead to hardship and sacrifice in the bitter winter of the high mountains, and test him to the limits of his being. Kaede, heiress to vast lands, is now the valuable pawn of ruthless warlords. She must use her intelligence, beauty and cunning to assert her place in a world of all-powerful men - who must never suspect the dangerous secret she hides. The beauty, savagery and strangeness of Hearn s gripping tale is heightened by her exquisite, crystalline prose. The second instalment in the Tales of the Otori is, astonishingly, even better than Across the Nightingale Floor Independent on Sunday.
