Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Eighth Grade Examination Question Book In my school work as a teacher and County Superintendent, the information contained in this book was of great value to me and was continually asked for by teachers and pupils. These questions, in the fourteen different subjects, are a complete list of all the questions issued for Eighth Grade Examinations by the State Superintendents of Public Instruction of Nebraska, since January 1, 1915. They made an excellent review in all these fourteen subjects required to pass the eighth grade examination. They should be studied carefully by all the pupils desiring to take this examination. They will give the teachers and pupils an idea of what has been expected of the pupils in the past, thus enabling them to make better grades and better students because of the fact that they understood how to answer the questions. You will note this book is right up-to-date, having listed in it a list of the last eighth grade examination questions. In order to obtain the best results, every eighth grade pupil should have a question book for class use so that efficient work may be done.
